My dear Rena and Boria,

I really don't know how to  
thank you for all your kindnesses -  
the letters to Zipporah & myself, the  
most interesting book, the postcard  
from Switzerland where I admired  
both your lovely smiling faces<sup>x</sup> & the  
magnificent background, and  
פ.פ.פ. / 11276-11276 the birthday greeting  
telegram which arrived with a most  
uncanny punctuality - it was  
handed to me on the first day of  
Succoth at midday (I was born,  
if you care to know, at noon sharp!)  
just at a time when Zipporah, who

<sup>x</sup> minus Boria, alas, but I'm sure he,  
too, smiled whilst photographing.
