Singapore 17.

15th February 1965

Moshe Sharett, Esq.,
Foreign Office,
Jerusalem,
Israel.

My dear Sharett,

I cannot tell you how unhappy I was to have learnt of your present illness. Your personality has been a tremendous contributory factor to the goodwill towards Israel to be found throughout the world, and as a human being it has been a joy to know of you.

May I express my sincerest good wishes for your early recovery.

Yours sincerely,

David Marshall
