Assurances that Egypt can have peace with Israel in five minutes if it really wants it were given Mr. William Randolph Hearst Jr. today by Ben-Gurion one founders Jewish State and presently Defense Minister STOP In long and frank discussion with Mr. Hearst concerning tense frontier situation between Egypt Israel Gaza strip area Ben-Gurion warned however if Arabs precipitate another conflict Israel will not agree to stop it until Arab States involved war completely defeated militarily STOP Israel concluded armistice with neighboring Arab states early 1949 after Israeli army though numerically small comparison opponents had repulsed Arab attack that followed United Nations sponsored partition Palestine STOP Hearst who later conferred with Prime Minister Moshe Sharett Jerusalem was told by Ben-Gurion Israel did not view with favor Egyptian proposal for demilitarized zone nor would he personally support any plan for establishment United Nations Police Force on frontier to keep Egyptian and Israeli forces separated STOP Asserting experience shown Arabs could not trusted respect demilitarized zone Ben-Gurion quote we will not give up our right to protect ourselves STOP We have right to protect our own frontiers STOP We are able and determined to do so unquote told by Mr. Hearst who was accompanied by this correspondent that Egyptian Premier Nasser had assured him few days ago in Cairo he wanted peace with Israel Ben Gurion quote if Nasser wants peace and maybe he is sincere - he seems be decent fellow - he can have it in five minutes by simply negotiating with us treaty peace friendship and cooperation STOP There is desert between our two countries STOP While our forefathers in time Moses had some grievances there no reason why Egypt Israeli should not enjoy good and mutually beneficial relations today STOP I am afraid however Nasser not master in own house STOP Eye am afraid he is powerless to control elements that not willing reconcile themselves to permanent existence State Israel STOP Peace depends on two things one recognition by Arabs that we are here to stay STOP Two our right and ability to defend sovereignty of our State and lives our people unquote Ben Gurion said that until Egypt has popular democratic government he doubted whether leadership would capable making

peace with Israel quote they are afraid one another over there STOP  
 Your President can say he not going make war with China over imprisoned  
 American airmen and he has sufficiently strong position his country do  
 so STOP Time may come when Egyptian leader will able do what he thinks  
 right STOP Until then we will wait patiently STOP We are not going make  
 war on Egypt nor any other Arab States STOP but sometime we are not going  
 stand by idly and see our soldiers and people killed STOP our pioneers  
 too precious for us to lose unquote

~~Two weeks ago eye visited place near Gaza where Egyptians had shelled  
 one our frontier settlements stop they killed worker and blew legs off  
 young girl and boy STOP Girl who only about twentyone years old had come  
 from Australia to Israel STOP She came from well to do family STOP No  
 material need for her to come here STOP She came because of an ideal  
 STOP She did not stay Tel Aviv where she could gone movies and lived  
 relatively comfortably STOP She went dangerous and difficult area unquote  
 speaking with deep emotion white haired sixty-eight year old founding  
 father Israel added quote Her legs were cut off STOP For me that was  
 terrible STOP We cannot afford to lose that type people STOP Six million  
 Jews were destroyed by Hitler STOP Maybe to Nasser few human lives mean  
 nothing but everyone our pioneers precious to us unquote~~
