Handwritten notes: 1/20/53 - Mike 21012213 JV

- ALBY Asked support Kachov he will inform Vichinsky.
- BEER Reported on Dues.
- CIVIL Palestine item at next session.
- ELIAS Told him my talk with Kachov non-progressive League and wider international implications. Asked good offices. He reacted "strange you ask us intervene with independent country. We not like UN always interfering internal affairs other states". I explained this certainly not intended we doing no more than ask friendly interest in matter which if brought up in different forum would have international repercussions.

No further response his secretary took full notes.
