We have received further communication from/representative
clarifying Israel's request to participate in the debate which, as
indicated in the said letter is to be limited to those aspects
arising out of the 1951 resolution which called upon the Government
of Egypt to desist from acts of interference with shipping through
international
the Suez Canal and to observe the ~~international~~convention in force.

In the light of this further communication the President agrees to the
Israel request and will invite the representative of Israel to participate
in the debate of ~~xxxx~~ SC at an appropriate point of the discussion.
